RE: Idaho EDI Claims Release 3.0

To All Idaho Workers' Compensation Carriers, Third Party Claims Administrators, and Self-Insured Employers:

This correspondence is to provide you with an update on the implementation of Idaho EDI Claims Release 3.0 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI) forms. As you are aware, the 2016 Idaho Legislature approved amendments to [IDAPA 17.02.10](#) and [17.02.11](#) that mandate the submission of workers' compensation claims information to be reported electronically to the Commission effective July 1, 2017.

A Request for Proposal (RFP) was issued May 13, 2016, for the procurement of a vendor to assist with the transmission of electronic data between Idaho Workers' Compensation Carriers, Third Party Claims Administrators, Self-Insured Employers and the Commission. Despite some unexpected delays in the finalization of a vendor contract, **the Commission is confident that the implementation date of July 1, 2017, will be met.** Information regarding vendor selection will be shared at the earliest possible opportunity.

It is important to note that the adopted rules require Idaho Workers' Compensation Carriers, Third Party Claims Administrators, Self-Insured Employers to conform to an existing standard rather than to a specific vendor platform. There are numerous steps that your organization should be taking to prepare for implementation. These include, but are not limited to:

- Review of the [IAIABC EDI Claims 3.0 Implementation Guide](#).
- Review of the [Idaho EDI Claims Release 3.0 Implementation Guide and Trading Partner Tables](#).
- Access [IAIABC EDI Claims Self-Paced Training Modules](#).
- Continue to monitor the Commission's website at https://iic.idaho.gov/EDI/edi_3.0.html for additional information regarding EDI Claims Release 3.0.

At this time, the Commission requests that your organization provide contact information for your EDI project lead to the Commission at https://iic.idaho.gov/EDI/edi_contact.html so that technical information may be promptly distributed when available.

Commission staff is available to answer questions as they arise. We appreciate your patience during this process.

Sincerely,

Mindy Montgomery
Director
