

SELF-INSURER'S COMPENSATION BOND

KNOW ALL MEN BY THESE PRESENTS, that _____, a corporation of the State of _____, hereinafter called the Principal, as Principal, and the _____, a surety corporation authorized to transact a surety business in the State of Idaho, as Surety, are held and firmly bound unto the State of Idaho, for the use and benefit of all those employees of the Principal to whom or to the dependents of whom the Principal may, during the life of this bond, become liable for benefits under the Idaho Workers' Compensation Law, as hereinafter more fully referred to, in the sum equal to and limited by the sum or sums that may become due and/or payable by said Principal to said employees under the terms, provisions and limitations of said Workers' Compensation Law, and in accordance with the terms, agreements, conditions and limitations of this obligation not exceeding, however, the sum of _____ dollars, for the payment of which, well and truly made, the Principal well and truly binds itself, its successors and assigns, and the Surety binds itself, its successors and assigns, jointly and severally, well and truly by these presents.

WHEREAS, in accordance with the provisions of Idaho Code, Title 72, Chapters 1 to 8, both inclusive, known as the Workers' Compensation Law and all amendments thereto, and Principal has elected to secure compensation to its employees by depositing and maintaining with the Industrial Commission of Idaho a surety bond issued and executed by the surety herein named, which surety is duly qualified to transact such business in the State of Idaho subject to the approval of the Industrial Commission of the State of Idaho.

NOW, THEREFORE, the condition of this obligation is such that if the said Principal shall pay compensation according to the terms, provisions, and limitations of Idaho Code, Title 72, Chapter 1 to 8, both inclusive, known as the Workers' Compensation Law and all amendments thereto, to its injured employees or the dependents of its killed employees contemplated by the terms of and covered under the said law, and shall furnish medical, surgical, nursing and the hospital services and attention and funeral expenses as provided for in said law (all of which shall be understood to be included in the term "compensation" as hereinafter used), then this obligation shall be null and void, otherwise to remain in full force and effect, subject, however, to the following express conditions and agreements:

1. That any employee or the dependent of any employee of the Principal entitled to compensation under said Workers' Compensation Law, shall have the right to enforce in his own name the liability of the Surety hereunder, in whole or in part, for such compensation, either by at any time filing a separate claim against the Surety or by at any time making the Surety a part of the original claim against the employer; provided, however, that payment in whole or in part of such compensation by either the Principal or the Surety shall, to the extent thereof, be a bar to the recovery against the other of the amount so paid.

That as between the employee and the Surety, notice to or knowledge of the occurrence of injury on the part of the employer shall be deemed notice to or knowledge, as the case may be, on the part of the Surety; that the obligation of the Surety, and the Surety, shall in all things be bound by and subject to the orders, findings, decisions or awards rendered against the Principal for the payment of compensation under the provisions of the Workers' Compensation Law aforesaid, and that the insolvency or bankruptcy of the Principal and its discharge therein, shall not relieve the Surety from the payment of compensation for injuries, including death resulting therefrom, sustained during the life of this bond by an employee of the Principal covered under the Workers' Compensation Law.

That upon request of the Industrial Commission of Idaho, it will make such changes in this form of bond by endorsement to be attached hereto or by the execution of a surety bond replacing this one, as the said Commission may deem requisite, to bring this bond into conformity with its rulings as to the form of surety bond required of employers under Idaho Code, Title 72, Chapters 1 to 8, both inclusive, known as the Workers' Compensation Law and all amendments thereto.

This bond is issued for an indefinite term to begin on the _____ day of _____, _____, and will continue in full force and effect until terminated in either of the following two manners: This bond may be cancelled by the Surety by filing 60 days written cancellation notice by registered mail with the Industrial Commission of the State of Idaho. This bond may be cancelled by the Industrial Commission of the State of Idaho by written notice to the Surety hereon, which notice shall specify the date of termination of the bond.

IN TESTIMONY WHEREOF, the said Principal and said Surety have caused these presents to be executed in due form this _____ day of _____, _____.
