

How to Report Proof of Coverage in Idaho (POC)

Common Reporting Errors

When there is no physical location in the state:

- Idaho will accept employer names linked to a Type 6 address (no physical location)
- Idaho will not accept employer names linked to a Type 2 address (out of state)

Multi-State Policy Endorsements

- Idaho must be endorsed to Section 3A

Non-Renewals

- Idaho is a continuous coverage state
- Non-renewals are required and must be reported 60 days prior to the effective date of the non-renewal cancellation

Refer to the POC Data Element Requirements located in NCCI's Policy and Proof of Coverage Reporting Guidebook for all requirements.
