Highlights of Trading Partner Tables Changes on V2.3:

S14 now reads: SROI MTC EP is allowed to follow if no previous SROI MTC EP accepted (or accepted w/error) OR SROI MTC IP is allowed to follow if no previous SROI MTC IP accepted (or accepted w/error). IP is allowed to follow, if EP previously filed and EP is allowed to follow, if IP previously filed. (S14)
- SROI Edit Matrix Table: DN0285 - Number of Reduced Earnings - Error 045, revised edit to ensure it was only required if 070 was the current BTC being paid.
