Per Idaho Code section 6-1603.

*As a result of House Bill 92 of the 2003 Legislature, non-economic damages will be capped at \$250,000 on all non economic damages. The same increase formula will go into effect beginning July 1, 2004.

Our math:

(Current year average weekly wage-1987 average weekly wage) divided by 1987 average weekly wage to establish percentage increase

Example (1993) $(\$373-\$309)/\$309= .2071$ or 20.71%

THEN:

$(1987 \text{ Benefit Cap} * \text{percentage increase}) + 1987 \text{ Benefit Cap}$ to establish current year cap

Example (1993) $(\$400,000 * .2071) + \$400,000 = \$482,847.90$

** Increases after July 1, 2003 are based on the State of Idaho's fiscal year. New caps become effective July 1 through June 30 of the following year.
