IDAHO INDUSTRIAL COMMISSION

Certified Idaho Workers' Compensation Specialist Program

A Comprehensive Course on Idaho's
Workers' Compensation System

Testimonials of Past Attendees:

"This is such a great course! The CIWCS course provides a real world setting of workers' compensation in a supportive and enthusiastic learning environment. The information presented is done in such a way where all who attend can understand and benefit!"
-HOLLY ALDERMAN, SEDGWICK

"The class exceeded my expectations and was incredibly helpful."
-Emma Wilson, Partner at Breen Veltman Wilson

"Anyone who works with workers' compensation claims should attend this course. The information provided is invaluable!"
-DEED HALL, NORTHERN LIGHTS

"This was a great class, I would definitely recommend it to anyone that deals with comp (medical offices, employers, adjusters, attorneys, etc)."
-Stephen Nemece, Attorney, Vernon & Weeks, PA

Levels of Certification

We offer two levels of certification, with the respective curricula as follows:

FOUNDATION LEVEL (2 DAY COURSE; NOT AVAILABLE FOR ATTORNEYS OR PROFESSIONAL ADJUSTERS)

- Review of statutes and decisions
- Compensability
- Claims reporting requirements
- Medical fee payments and disputes
- Lump sum settlements (LSS)
- Change of Physician
- Subrogation

Attendees signing up for the Foundation Level and passing the final exam with 85% or higher will be recognized as a "Certified Idaho Workers' Compensation Specialist–Foundation Level," for a period of three years.

ADVANCED LEVEL (4 DAY COURSE)

In addition to the Foundation Level, the Advanced Level curriculum includes:

- Average weekly wage/income benefit calculations
- Disability (temporary, permanent, partial, total)
- Permanent Partial Impairment and Disability-In-Excess
- Death benefits, second injury fund
- Attorney fee regulations

Attendees signing up for the Advanced Level and passing the final exam with 85% or higher will be recognized as a "Certified Idaho Workers' Compensation Specialist–Advanced Level," for a period of three years.

About Our Instructors

Jennifer Poole graduated from Boise State University in 1993. She is a Program Analyst in the Claims and Benefits Department and has been with the Industrial Commission for over 10 years. She is also an Idaho Certified Professional Mediator and adjunct faculty at Boise State.

Richelle Flores is a certification instructor for the Idaho Industrial Commission's CIWCS course. She has worked with the Industrial Commission for more than eight years. She oversees EDI and Surety Audits, and serves as a Program Analyst in the Claims and Benefits Department.

Ann Treanor has a bachelor's degree from Boise State University. She has experience as a worker's compensation claims examiner and as human resources professional. She is a Benefit Analyst in the Claims and Benefits Department.

Matt Shriver graduated from Boise State University with a B.S. in 2001 and the University of Idaho with a J.D. in 2010. He has over 10 years of experience interpreting and applying statutes and administrative rules in various capacities. He serves as a Benefit Analyst, as well as the Employer Education Coordinator for the Claims and Benefits Department.
